Docket Text:

ORDER. The Court held a telephone conference with the parties today to discuss procedures for next week's settlement hearing in light of the ongoing COVID-19 pandemic and the increasing infection rates in Arizona. The phone conference was not on the record. The Court concluded that next week's hearing should be held by phone, with the parties and any objectors calling in to a number to be established by Plaintiffs' counsel. Plaintiffs' counsel will notify the two individuals who have submitted objections of the phone hearing and how to access it, and will place the same information on the settlement website. The undersigned judge will participate in the phone hearing from the courtroom and will have the courtroom open in the event any objector or other interested person chooses to attend. The Court also asked Plaintiffs' counsel to be prepared to address the procedures to be followed if the Court decides, in the future, that plaintiffs in the Maverick case should in fairness pay part of the fees owed Plaintiffs' counsel in this case. Signed by Senior Judge David G Campbell on 6-22-20. This is a TEXT ENTRY ONLY. There is no PDF document associated with this entry. (DGC)
